***OPENING DIALOGUE***

***COMMON-SENSE***  
***&***  
***LOGIC***

Now that we've covered My Religious Philosophy, it's time to delve deeper into the Common-Sense and LOGIC behind Our Laziness, Ignorance, and plain Stupidity in supporting Politics and those who abuse their positions to run Our Government.

There is absolutely zero justification behind that concept any longer, and there's NO ONE who could argue a Legitimate Case for continuing this Absurdity. Other than the Politicians themselves of course!

Remember the innate characteristics that I mentioned in the last Podcast.

“Instinct” and “Awareness”!

Well People, use your Instincts and Awareness to recognize the Insanity of the Electoral Process and continuing to vote these Politicians into office.

It's an Antiquated, Ineffective, Politically Corrupt, and Totally Inept Concept that's been predicated on Bloviation and Disingenuous Rhetoric for generations.

These Politicians have a lot of you believing that this System is the greatest thing since the invention of sliced bread but more importantly, have you believing that it's the only recourse We have to having some type of control on Our Government. ***WRONG!!! NOT ANYMORE!***

Time to wake up America, there is a MUCH BETTER way to RUN Our Government and it's with NO MORE POLITICS!

It's now time to run the Government as the Glorified Hi Level Business Entity it is!

AGAIN, ALL of You NEED to be Instinctive enough, Aware Enough, and Honest enough with yourselves and recognize that the Electoral System has come to the end of its usefulness.

You Also MUST be Receptive and Open to a New, type of Relationship with one another as we ALL are Citizens of this Nation.

This Evolutionary concept that I am espousing **CAN NOT** and **WILL NOT** have any shot to succeed if the Vast Majority of American's remain as Separated and Split as we are today!

In ALL honesty, this Country is set to totally **FAIL** if We continue to sit back and do nothing and continue to allow this divisiveness to continue.

By the way People, these Piranha Politicians feed off of this Atmosphere. That's the way They like it and as They've shown, will go to ANY and ALL lengths to make sure it continues, and I'm referring to **BOTH PARTY REPRESENTATIVES!**

Wake up America the longer we stay Separated as a Nation the longer They retain control of Our Government.

The quicker We accept their deceitful representation as being FACT, the sooner We begin Our fight for attaining "The Government of the People, By the People, and For the People."

Everything is now in place for Us to finally run Our own Government. It's NO LONGER an outrageous concept, it's well within Our Reach. And as I've stated previously in the Opening Podcast, a Conceptual Plan has already been designed, it's just a matter of putting it into motion.

The key for Me and this Mission is for me to remove ALL your Doubts, Fears, Complacency, and Confusion, and then motivate You enough to commit to this Movement and get this Government straightened out once and for all.

What's it gonna take people! Do we need to actually lose this Country to Socialism or perhaps just as become a "Banana Republic" first, just to realize we could have done something about it before it that disastrous response came about!

Or, even more disastrous than that, how about the 2<sup>nd</sup> Civil War. Does it really need to come down to another War of massive bloodshed and the additional loss of more American Lives!

Will we ever learn to be a PROACTIVE COUNTRY and deal with Issues before they happen instead of REACTIONARY when we're always a "DAY LATE and A DOLLAR SHORT"!

Well, how about you try this on for size:

- NO more Politicians, NO more Term Limits, OR CORRUPTION to worry about!
- NO more Bureaucrats, Lobbyists, Deceitful – Divisive – Disingenuous 1<sup>st</sup> Amendment Abusing Media to concern Ourselves with!
- ALSO, a TOTAL cleansing of the:  
D.O.J., A.G., F.B.I., FEDERAL LAW ENFORCEMENT AGENCY'S – MILITARY UPPER ESCHOLON and Dept. of Defense –

ALL GOVERNMENTAL AGENCIES like, THE I.R.S., E.P.A, E.T.C.
