

REALITY CHECK

“The REASON

and

MOTIVATION”

Well America, here We Sadly are because if You're like me, I'd prefer doing something much more enjoyable rather than confronting this, which has become a totally unacceptable debacle, better known as Our Government, however, We ALL have RESPONSIBILITIES in life, and this My Friends, I would classify as a Group Responsibility for WE American's ALL share a Direct Affiliation.

And let's be clear here Fellow Citizens, this is indeed Our Responsibility! Although, just like everything else in life, it required someone to drive this agenda!

Disturbingly, this has now reached a critical junction, approaching epic and disastrous proportions requiring Our direct, deliberate, and immediate action.

Therefore, I respectfully ask for your patience, indulgence, AND THICK SKIN because We don't have the Luxury of time and pleasantries, simply put, I'm going to be very blunt for effect, even though there's a heightened degree of sensitivity out there for a lot of different reasons and one in particular revolves around the topic of Politics and Our Government, which unfortunately has now developed into a vital necessity to be Aggressively Confronted on a here and now basis moving beyond the everyday BLOVIATION and TALKING POINT AGENDAS, it's now time for REAL ACTION!

So, let me initiate this whole Agenda of mine with a direct statement about Politics.

Politics, HAVE NEVER and WILL NEVER be about Leadership or Representing the People, Politics My Friends is simply about, Greed, Power, and Control.

So, for you Brainwashed sycophants out there, get a grip, because it's now Reality check time and the Reality is, that this form of Government has overstayed its welcome and it's become time for it to Evolve into Its Proper Form which is, "The Government of the People, By the People, and For the People"!

So, without further ado, the following will identify My Agenda's Itinerary with NO CONDESCENSION intended, it's simply to establish My position with emphasis about everything I have come to know and NOT LIKE about Our Current Form of Government, the People We have placed in charge of it, and the People, to whom I refer to as Sycophants, who continue to remain brainwashed and motivated to support It!

Once I've covered that territory, I will then present to You the Plan that I have developed to move from this Politically Corrupt and Inept form of a Democratic Republic to a Peoples Reformed Democratic Republic, which will permanently remove the need for someone else to represent Our desires and drive Our VOTES!

Again, please be patient, as this WILL require major indulgence on your part, so let me confidently state with a great deal of affirmation that this will be more than well worth your time!

AMERICA, welcome to the Movement which I am calling the ***“EVOLUTION REVOLUTION”***, where I begin with what I believe to be a somewhat exaggerated but Perfect Analogy nonetheless of how I believe Our current State of the Union is by starting with some initial “shock and awe”.

Remember the Roman Empire quandary of the Christians being fed to the Lions!

An exaggeration, MAYBE!

Well, to quote Sir Winston Churchill, “Those that fail to learn from history are doomed to repeat it.” And in this particular case, these words could be more apropos than you may realize!

Christians aren't the only People being exploited with this Insidious Persecution these days, but it is a conscience targeting of Christians simply because of Our sheer numbers.

Control Us, CONTROL THE COUNTRY!

My fellow Americans, History could indeed be repeating itself. Maybe not to the disgusting and horrific Inhumane levels as those during the infamous Coliseum days or, just maybe We've ALL gotten lucky here and We're attacking this INSANITY in just the nick of time! Either way however, I have zero interest in continuing to wait around to see if it does occur!

Whatever the case, shame on Us for allowing this condition to fester to this degree of letting it get this far out of hand!

Let me put this another way, Christianity just happens to be the Worlds #1 Religion, it also happens to be the Main Religion on EVERY LAND MASS in the Western Hemisphere. By the way, it also just happens to be the Ukrainian #1 Religion as well, just saying!

So, I ask you, why does ALL this Political Corruption exist in nearly every one of those land masses, which includes Ours?

Well, that's obvious because Christians inherently are Complacent, Complicit, Content, and Compliant!

Another words, as a people, We're normally NOT troublemakers.

Which honestly and specifically in ALL of those cases makes Us Irresponsible, Ignorant, and subservient when it comes to allowing people to ride rough shot over Our Persons!

My Fellow Christians, at the risk of sounding like I'm preaching, We ALL have faith that Christ will eventually come again one day but He never stated what day that would be because He specifically acknowledged that that day would be determined by God the Father, and He alone will deem when it's time for the REVELATION NOT US!

Christ gave US many things during His Sacrificial Life here on Earth, with the Most precious of which being everlasting life, and as I paraphrase His quote: “So I say to you, those who Ask will be given, those that seek, shall find, knock and the door will be opened for you” “He who believeth in Him will have the ability to enjoy living Out their everyday lives by being TRUE CHRISTIANS!

Just say the “Our Father” and you’ll understand what I mean by being a “TRUE” Christian.

ALL We need remember is why Christ was brought to Us in the first place, because We're ALL sinners, another words We're imperfect beings and We need to recognize that Our imperfections will remain a constant but that should never stop Us from enjoying the fruits We receive from living a True Christian Life or, more importantly having someone or something deny Us of that enjoyment!

So, instead of Us continuing Our subservient ways of life, by misinterpreting what Christ meant by turning the other cheek, it's now the proper time for Us to be Outraged, Feed Up, and Responsive and get back to what the Good Lord wants Us to have, full happy lives, better known to Us as the American Dream!

By the way Friends, that's exactly why this Country of Ours was Founded in the first place!

Just a reminder here for those of You NOT up on your history but the Colonies were tired of being Subservient to King George 3rd of England and had to fight for The Freedom and Rights We happen to be fighting for again today!

And STOP this continual Human Subservient Insanity My Friends, We're NO LONGER Sacrificial Lambs to be available at Their beckon call!

Also, if you happen to be unaware of this particular fact but, Christians are the dominate population by far here in the United States as well, that equates to approximately 63% of this Country's Population or 210MM People, which personally inflicts major internal pain for me because these Usurpers have gotten not only Christians taking on Christians, but Family taking on Family!

Hell, some of these Politicians have the unmitigated Gaul to call themselves Christians, I can't help but wonder what Their Judgement Day will be like!

So, hello America, I'll intentionally withhold My name for the time being because it's truly not what's important at this time, however, what I'm about to share with you IS VERY, VERY, IMPORTANT!

Interestingly though, is the curiosity I do have at this time wondering as to why this task has fallen into My lap out of ALL of My Intelligent and fellow Patriots out there, I guess I'll never know!

Anyway, as I'm sure you figured out, YES, I am a Christian, I true believer in Jesus Christ as My Lord and Savior and guess what, I'm NOT embarrassed to share that with the world, but that's a story for another day!

Also, I identify Myself as an “AVERAGE GUY”, who is most definitely accepting this monumental responsibility of stepping forward today ready and willing to resolve ALL of Our National Issues, or what I initially referred to as being “Fed to the Lions once again!

So, rhetorically, I ask, why ME?

Welcome Friends to My **“REALITY CHECK”!**

I’ve accepted this undertaking specifically due to the feedback I’ve received from having this very discussion about Our Government and this 2 Party Disaster with many people, and almost in Every Case, there was a rejection and a desire for the elimination of Politics.

Everyone deemed it as an utter failure that's in dire need of a major overhaul.

However, if you're one of the many who don't think or believe that WE the TRUE CITIZENS OF THIS COUNTRY are in danger of losing what was intended in Our Constitution, Declaration of Independence, Bill of Rights, AND MORE IMPORTANTLY the FREEDOM that We're afforded through those Documents, then what in the hell are you NOT getting, seeing, or hearing!

For God's Sake People, wake the hell up!

Whether You believe it or not, OR, whether You like it or not, WE, are Now in a CRISIS situation!

We may not be fearing being fed to the lions, as I may have jested about earlier, but We are extremely close to losing control of what America was intended to be, a Land of Rights and Freedom.

So, I'll make this assumption that You're as interested as I at retaining Your RIGHTS and FREEDOM, so, here's the new REALITY My Friends, this has now become totally incumbent upon ALL of US, whether We like it or NOT to step forward for once as, "**WE THE PEOPLE**", and do what is necessary to finally take control of Our Government to **REASSURE** and **GAURANTEE** that Our Freedom, Liberty and the American Way Of Life continues for as long as "We The People" stipulate and NOT some Corrupt Power Hungry Elites!

To start off My Agenda, I must first establish this point and get ALL of you to recognize the miserable failure of the Electoral System.

This concept has eroded into an antiquated, vulnerable, and susceptible mechanism for Governmental Intrusion and weaponization, just like every other Department run by this Government.

And in this particular case Our Electoral System also happens to be an accurate depiction of true Insanity as We actively partake in it every 2 and 4 years, while continually expecting different outcomes!

If it were up to me, I'd place a picture of an Electoral Event next to the word "INSANITY" in the Dictionary!

How sheepish We have become as We've been brainwashed into participating in what now has become a totally Divisive Event.

Talk about Insanity, this is the epitome folks, to continually reelect the same NONACCOMPLISHING personnel to head up Our most important entity in Our Country.

How can anyone one of You out there seriously refer to this as Sane!

IT SURELY CAN'T BE A SECRET ANY LONGER for anyone out there that We will NEVER see the kind of HONORABLE, TRUSTED, and INTEGRITY ORIENTED Representation Required from any Political Party, Republican, Democrat, or ANYONEELSE for that matter, who has ANY POLITICAL AFFILIATION, Individual or Group to ever step forward to assist in correcting these Governmental Issues of Ours and that's for TWO logical reasons, (1) Because they're the One's Responsible for creating this Disgraceful Cesspool in the first place and, (2)

POLITICS AS A WHOLE has SUCCESSFULLY proven itself to be a TOTALLY CORRUPT ENTERPRISE!

This REALITY has therefore required One of Us TRUE RED, WHITE, and BLUE PATRIOTS to confront this breakdown.

One of Us was needed to devise a plan to Countermand this behavior and take this Corruption head on and, as it turns out, that someone just happens to be me!

Whatever the reason for me being here, You, now need to simply acknowledge this reality and accept this as FACT, because I am ready to make the right things happen **WITH** and **FOR ALL of US**, that is, with your much needed **HELP** and **SUPPORT!**

Here's a little background as to what has gotten Me here. My initial curiosity about Our Government began after the 9/11 attacks back in 2001.

God, I can't believe more than 20 years have gone by since that horrific and tragic day.

Prior to that, I was probably as unknowing as most of Us about how Our Government functioned, and for the purpose of Full Disclosure, My Political Affiliation at the time was Republican.

I remained a Republican for some time after, but My reasons were growing more sinical as each election pasted as I began referring to Them as the lessor of 2 evils, WOW!

Today, I'm a registered Independent.

Now that that little tidbit is out of the way, back to what's gotten me here.

The Governments performance while handling Their response to those attacks was just NOT adding up for me, which was becoming quite the typical miss use of Our Military Personnel which continues to perturb me to this day!

That's when I started delving deeper into this 2 Party System of Ours, needless to say, the more I educated myself the more I didn't like what I was ingesting.

The more I was ingesting the more nauseated I became.

These were supposed to be Our Countries Leaders!

Before I knew it, a number of elections have come and gone and My attention to Politics has grown to nearly a full blown obsession, needless to say, but I've become totally aware of the CORRUPT SWAMP located in DC, the lack of leadership, the Un-American Activity and the continual non-results being delivered by these so-called Civil Servants but, even more disturbing now, has been the Negative Political Atmosphere that's grown into a full-blown derisive spectacle! This My Friends IS NOT LEADERSHIP, and these ARE NOT LEADERS!

We give these people way too much of Our Money and Power for the lack of Representation and Results They produce.

So, after all these years of being fed all of Their Lies, Deceit, and NON-PERFORMANCE, I've come to only one legitimate conclusion and that is that this form of Government has overstayed It's welcome and, it's now time for Our Government to EVOLVE into Its next generational form which Abraham Lincoln so aptly stated as part of his Gettysburg Address, "The Government of the People, By the People, and For the People!"

Sadly and, Tragically the state of Our Union is in such dire straits at this moment in time that We're left with **ONLY** 2 legitimate Alternatives to make this EVOLUTION happen:

(THE FIRST): which obviously would be My MOST Preferred Method, and which I pray will be Yours as well, is this Movement and that which I'm sharing with you right now, **(the SECOND):** would be another Civil War, and that My Friends would be the least CHRISTIAN THING TO HAVE HAPPEN, and that which I am desperately attempting to avoid at ALL COST by espousing this Movement!

But, if You're Truly as sick and tired of the obvious Insidious Corruption with Their Cloak and Dagger, Smoke and Mirror, Good Cop / Bad Cop acts, or Their Political Gamesmanship of Chess and Checkers, or as I prefer to identify Their game of choice as the "Shell Game", that this 2 Party Political System gives to us on a daily basis than what I'm promoting today for ALL of Us is TRULY the ONE AND ONLY **REASONABLE** Alternative left to finally gain control of that which is rightfully Ours.

Even more importantly Friends, and this point **MUST** be stressed and emphasized, if We fail in this Mission for **ANY** reason, you'll have **NO** other recourse than another Civil War, that is, if you wish to continue to maintain Your **RIGHTS** and **FREEDOM!**

Also, take heart My Friends that this **MISSION** that I am espousing is **A VERY DOABLE UNDERTAKING** simply because when We Americans Unite and put forth the effort to succeed, the **END RESULT IS THAT WE DO INDEED SUCCEED!**

Yes, America **UNITE, UNIFICATION** is a **MUST!**

If there ever was one clear cut mission for Us to undertake Together, this is it!

So, once on board, consider yourselves to be enlisted into a kind of 3rd Party Civilian Partisan Group, No longer a Republican or Democrat!

The truth of the matter is that It's NO LONGER A SECRET because it's a VERIFIED AND COOPERATED TRUTH that the Corruption within this Country's Government from these 2 Party's, IS NOT ONLY REAL it's NOW SO DEEPLY ENTRENCHED that it's Deliberately, Systematically, and Methodically taking Everyone's Rights and Freedom away from nearly every one of Us, ***EXCEPT for the ELITE of course!***

The disgusting part about all of this entire mess is that if you really watch, listen, read between the lines but, even more importantly than that, if You can truly comprehend what's occurring during ALL the Political Interactions being carried by the Media, these Politicians, Elite, and Sycophants have NO problem maintaining straight faces while They deliberately lie, deceive, and intentionally mislead Us as They speak directly into Our faces!

To recognize this deceit, just pay attention to whether you ever hear any answers when you hear these people talk. It's always about how their counterparts never have the answers!

Friends, it's NOT ONLY a MUST but it's NOW Vital and Critical that ALL of You wake up to the fact that this Government is being intentionally and deliberately Usurped from Us, it's also total irony and a fact, that the Founding Fathers who were responsible for establishing this Government nearly 250 years ago predicted this very atrocity to occur!

Making matters even worse, is Our continual **COMPLIANT Participation** through Our **Non-Caring Complacency, Complicity,** and **Blind Allegiance to these Political Organizations and Activist Committees** which They're accomplishing through our **Ignorance!**

YES Ignorance, Ignorance delivered through the Deliberate Misguidance from those I've previously identified as the Enemy, the ELITE!

Ignorance from a lack of Education and Experience, Ignorance because you think it makes it easier just to turn a blind eye, just like not going to your, Doctor because you fear being diagnosed with Cancer!

Well Folks, that's exactly what we have here, a malignant CANCER and one up until this moment, has been left untreated!

Now, I'll rate the Cancer on a 1 to 5 Scale relative to the Cancer Stage this Country is at and I'd diagnose Our condition as a high Stage 3 Cancer, approaching Stage 4.

So, if you were given this diagnosis how quickly would you seek treatment?

This My Fellow Citizens is precisely the reason why Someone was needed to step forward and Lead Our way out of this MUCK.

Why NO ONE other than myself has stepped forward to initiate such a Movement until now is beyond me!

Maybe it's just because I'm the ONLY SIMPLE-MINDED PERSON who believes that We can actually pull this thing Off.

OR --- MAYBE I'M JUST BRIALLIANT! LOL, I'm laughing out loud at that one!

But, maybe the more realistic reason is, is that I'm the only person with the Guts and Fortitude enough to step forward fully aware of the risks that I'm assuming!

That in and of itself My friends should indicate to You My level of seriousness at driving this Agenda.

Personally, I'm in Pretty Decent health, NOT Great but Good, and under normal circumstances, I should live at the very least another 20 to 25 years, according to my "Gene Pool"!

So, if anything out of the ordinary were to happen to Me while I'm attempting this Undertaking, You, have My permission to investigate. Oh, and by the way, fear your Asses off!

Having made that digression public, it's now time to take the necessary steps to move forward with this Mission.

Unfortunately, as simple as the Corrective Action is My Friends, and, it truly is indeed a simple SOLUTION, what makes this such a complicated task is acknowledging THE ENORMITY OF THIS UNDERTAKING and RECOGNIZING where the complications lie in order for Us to Ultimately accomplish this Evolutionary Mission.

You see, the Answer is US, the PEOPLE!

Sadly however, thanks directly due to the Systematic and Intentional Breakdown that's been promoted and Established through Politics, MEDIA, the Elite, Sycophant Loyalists, Activist Groups, and the Educational System, Our Nation has become SO DAMED DIVIDED it has dramatically complicated My initial task of Unifying Us.

Having now established that point, I am a believer in utilizing a system that many people in the business world employ when performing Job Functions and it's known as the "K.I.S.S." Theory, and for those of You NOT familiar with this Technique it simply means "KEEP IT SIMPLE STUPID"!

Therefore, I refuse to complicate this issue any more than it already is, so my intentions are to express My Ideology behind this Mission as Plainly and Clearly as possible!

So, in order to convert this TASK from a Complicated One into a much more Manageable One, it requires me to attack (2) distinct problems.

The **FIRST** of which, is being diligent in NOT allowing any additional interference or chaos from those I've identified as the Enemy, as I have NO DOUBT, They'll, do Their level best at creating Their mischievous interruptions, including trying to shut this Programming down!

So, I'll take this opportunity to remind EVERYONE and draw your attention to Our 1st Amendment Right to Free Speech and the FACT that we're supposed to be a FREE SOCIETY under the LAW!

The **SECOND Part of the Equation for Me to deal with**, will be establishing a Common Ground with one another through this Podcast, one that incorporates respect and recognizes AMERICAN Citizens with the EQUALITY that has been lacking since Our Nation's Founding!

I'm **NOT** looking for any more **LIES**, or **BLOVIATIONS here**, I'm looking for creative **IDEAS** and **SOLUTIONS THROUGH OUR UNIFYING!**

And the **SOLUTIONS** lie in Me establishing through this forum **EQUAL RIGHTS AND EQUAL STANDING FOR ALL CITIZENS of this Country** by using My Faith, Integrity, Morals and My Belief in My Fellow Citizens.

This will ALL be accomplished through the Mindful and Civil Conversations We establish with one another. Will there be heated debates, absolutely! That's to be expected due to the topic being covered, but it will also encourage Us to share far more Constructive and Intelligent Conversations with one another that will inevitably foster Clarity, Awareness, and finally, Solutions!

Remember people, it NO LONGER MATTERS what Party Affiliations you may have had, it's all about Our 3rd Party Partisan Civilian Activist Group so, the ONLY thing that would matter to EACH AND EVERY ONE OF US, from this point forward, is the VALUE We ALL place on Our Freedom and Rights while continuing to be represented by a System of Government that's intentionally taking those 2 Innate Values away from you!

It's indeed time to move on!

It's the intention of this Podcast to assist Us in establishing that Equal Footing with one another, then the rest of this Agenda I confidently believe will fall wonderfully into place because once WE UNITE and REMAIN FOCUSED for this Common cause, every other issue pertaining to this Government and Our Rights will resolve themselves in due time, just follow the reasoning, but for now the important initial piece of this Mission WILL be in gaining the Major Commitment and Momentum primarily from the TAXPAYERS in Our Country to proceed forward with Our Objective because Our Power lies DIRECTLY within the Numbers.

So, let me make this, what should be an obvious final point about this Unification.

The Population of this Country is GROWING and is now approaching 340M people, however, approximately 8% of this Country's Population ARE NOT AMERICAN CITIZENS as I hope you are aware but that will be covered in later discussions, however, as of 2017 the number of People over the age of 18 or "VOTING AGE" has grown to nearly 210M and I'm looking to enlist at least 2/3's of that Population, or about 135M Strong, which sounds like a lot but is very realistic when you think about the number of people who supposedly voted in the last election, that was approximately 155M.

To put it MORE PRECISELY, the 135M number is My Target Population, every additional member beyond that number is Icing on the Cake!

This 135M number is VERY IMPORTANT, because it correlates to the MINIMUM number of FULLY EMPLOYED AMERICAN'S I'm Specifically focusing on to accomplish this Evolutionary Mission.

Why EMPLOYED AMERICANS you ask?

Because You and I represent the Taxpayers FOR THIS NATION, We, My Friends are the TRUE “BANK of AMERICA”, that makes Us the Responsible Party for PAYING for everything that this Government misappropriates!

It just so happens to be Our hard-earned Dollars that gives these Bottom Feeders the Power that they utilize to run a mock with, while They give Us ZERO BUDGETARY CONTROLS, LACK OF TRANSPARENCY, AND ZERO ACCOUNTABILITY!

This Missions goal, is a very easy concept, take away the MONEY, eliminate Their Power!

This Platform will now afford ALL of Us the capability to communicate these issues and ideas with one another, giving Me the ability to share this most vital NEW Ideology and motivate Everyone as We get the word out about this Evolutionary Concept and Mission!

More importantly, it's to reassure You ALL that the Answer does indeed exist to correct this Huge Problem, all everyone needs to do, for Us to continue to move forward, is accept the Reality of the Corruption that exists within the Political World and agree that it MUST be eliminated.

Once this recognition has been gained, we can then proceed with Our Communication covering the details and logic behind this Evolution and how We begin to Convert Our Government to **REPRESENT** Its **PEOPLE** as a **WHOLE** and **NOT JUST FOR THE PROTECTION OF AN ELITE FEW!**

At this point, let Me cover this one last challenge for additional clarity's sake, because I'm sure you all are asking yourselves, why in God's name, should I trust this Guy, I have NO idea who he is, and quite frankly, he's already admitted that he's just an average Guy. He has NO Special Background that lends a Comfort Level to his position, so why trust him!

Well, the truth of any matter is Fellow Taxpayers, Christians, and Fellow Citizens, that NO ONE becomes well known until they become a Public Figure, and as I disclosed earlier, I've pretty much accepted this task out of the desperate need that someone had to step up into this LEADERSHIP ROLE and now You're stuck with Me!

So, I present this question to you, why not me?

No one else has taken this step forward or displayed the fortitude and ingenuity for that matter to accept this responsibility, and that, by the way, includes ALL of you, however, remember, that ALL of Us will have a responsibility to step up and do Your part. This My Friends is far from a ONEMAN SHOW, as I just referenced that I've assumed the Leadership Role of this Mission. However, there will eventually be plenty of other opportunities to come, (I. E. :) Executive, Administrative, Operational, Technical along with important Staff positions that will be available as well, so please stay tuned!

Additionally, I would like to take this opportunity to give a HUGE shoutout to ALL the other platforms out there who are also DISGUSSING and EXPOSING the Governmental Corruption.

These Platforms are very important because they ultimately lend great assistance to this Mission, however, please remember that the major difference between Us and That Medium is that We're the ONLY Platform Espousing, Promoting, and then ULTIMATELY GOING TO TAKE ACTION!

We're on an Eradication Mission here where They are simply provocative talk shows with NO ANSWERS OR SOLUTIONS, just Thoughts!

But, if there is another outlet out there attempting to accomplish what this Mission is looking to accomplish, I'm all ears!

WARNING! For those of you who are still poo-pooing my position after all this and what I'm attempting to accomplish with ALL of your help, well, hello, you've just identified yourselves as the Ignorant target Population of My initial Task or a deliberate infiltrator angling to disrupt this Agenda, either way you are what this initial portion of My Mission is attempting to win over or totally remove!

Just use your heads People, it's time for some Commonsense, this Division is exactly what the ELITE desire and that which allows the CANCER to continually spread!

All the skepticism that you may have in regard to this Mission and what it's about, is exactly what will continue to enable these Political Hacks to keep Their controlling hands ALL over Our Government and YOU! Unless of course that's Your desire in the first place!

Let me state this **FACT** once again, this is supposed to be the Government of **ALL** the PEOPLE, NOT THE Government of the ELITE!

That's why this Platform is SO Critical for ALL of Us who love the America that was promised to Us, let me remind you another last time, that this movements number one immediate issue on the agenda is to deal with those that are Ignorant to these issues and those who are Sycophants to the issues, and remember, I could care less whether you previously Supported the Republican Party or the Democrat Party, that NO LONGER MATTERS, and for God's sake, stop believing everything you see and hear through Main Street Media, it's ALL Specialized Sycophant Obsession and Propaganda!

Friends, dare I say it, YES, this is indeed a Conspiracy, it's the reason why the Word exists in the Dictionary in the first place. Politics invented the concept, I invite you to watch, and listen to just one interaction in anyone of the Governmental Departments, especially on the Floors of the House of Representatives or Senate, they scream of conspiracy, just the fact that They very rarely come together on a Bi-Partisan basis and agree on any agenda. This is totally intended on Their parts, and it's also known as JOB SECURITY for Them especially because there are NO TERM LIMITATIONS!

And having made that last point let me also establish this one as well, I will NEVER underestimate these people.

They are highly intelligent, sophisticated, and totally motivated, especially because They're going to lose everything They've conspired to gain and then some! They're going to cover Their Asses in every way and with every tool possible.

Let's face it, I'm labeling these people as committing TREASON. YES, Ladies and Gentlemen these people are Criminals, the Truly Devious of Deviants kind!

Therefore, it again becomes incumbent upon Us ALL, especially Me to remain vigilant when it comes to any dealings with Them!

Now, let Me get back on track with dealing with the issue of Ignorance relative to this matter and again, I emphasize, I don't care what the reason is for the ignorance, whether it's due to a lack of Awareness, a lack of Education, Confusion, Malice, Apathy, Stubbornness, or just plain Stupidity!

Those walls need to be obliterated A.S.A.P. and NEW RELATIONSHIPS must be forged.

My Fellow Tax Paying Citizens, along with Every Freedom loving Citizen out there, if We don't do anything else, We MUST come together on this Mission because realistically, You'll NEVER have this type of solution available again, and every day that we waste puts Us closer to Our Freedom being TOTALLY USURPTED!

That's why It's imperative that I stipulate that the 2024 Presidential Election is Our Target Date to initiate the Evolution!

I'm turning 65 Folks and if this Mission fails, the ONLY RECOURSE you'll be left with is another Civil War as I previously stated! Good luck with that!

Another Bloody, Savage, and disgraceful Civil War!

Really? Is that what you'd prefer, losing more American Lives, Family Members, Friends, and Neighbors when it ALL can be totally avoided by adopting My Evolutionary Plan!

BUT LET'S NOT FULLY GO THERE JUST YET!

Although it's inevitable that this topic will surface during Our conversations, I just don't want it being an unnecessary focus for Us at this time, simply because it's NOT yet necessary and what I emphatically want to avoid!

Although, we MUST recognize the Democratic/Liberal/Socialist incessant obsession and preoccupation, with Their constant Gun Grab Campaigns that They continually wage on Our 2nd Amendment Rights, making the “CIVIL WAR” scenario a very difficult conversation to avoid.

This, in and of itself creates a Very Complicated and Precarious position for Our Military Personnel where My Children, both Son and Daughter, are and were a part of and the internal struggle it will inflict upon them between Their Consciences and Their OATH OF ALLEGIANCE.

They MUST be REASSURED by the American People that THEIR OATH OF ALLEGIANCE BELONGS TO THE PEOPLE OF THIS COUNTRY and NOT to the ELITE who **THINK** They're entitled to that ALLEGIANCE.

Their Military Oath is to protect Our Country from Enemies both Foreign and Domestic, and I am here and now identifying these ELITE as Domestic Enemies of the STATE, disgracing Their own Oaths to God and Country!

So, tell me America, what's it gonna take? How can I get through those dense heads of Yours and your Generous Hearts and get You ALL to understand that we have the ability to correct EVERYTHING, and YES, I mean EVERYTHING!

Everything that's wrong about Our Government and this Nation. Its lack of Representation, the Corruption, the Lack of Transparency and Accountability, the LACK OF TRUE EQUALITY FOR ALL CITIZENS, the Elitism, the Abuse of the Amendments, the miss use of Tax Payer Funds, the Lack of Security for Our Sovereignty, Placating, other Governments, sending Our Children, Friends, Neighbors, and ALL of Our Military Hero's into Harm's Way with NO Winning Objective, All the Pork Spending, and Bridges to NOWHERE, and the list goes on and on!

How much more of this UNLAWFUL AND QUITE FRANKLY TREASONIST Behavior by these “So Called”, Civil Servants are You planning to Endure and Digest?

Reality MUST set in People, there can be NO MORE Tolerance of this type of Behavior!

There's NO WAY, you can convince Me that any TRUE and FREE TAX PAYING RED WHITE and BLUE American could feel comfortable in their Citizenship these days!

The plain Truth of it, People,
is that it doesn't matter if
You're White, Black, Brown,
Yellow. Christian, Jew, Muslim,
Hindu, Agnostic, or whatever!

It's NEVER been about your
Ethnicity, Religion, Culture, or
Creed!

It's about GREED, POWER,
and the CONTROL of THE
PEOPLE!

That's what They want and They're
willing to do anything for it!

However, I want Our focus to be about those of Us working for and towards the American Dream, Living Freely, and enjoying life with A Government that delivers Security, Safety, Opportunity, and Protection to ALL Its Citizens and NOT just to those who want to control everything and everyone!

It's precisely the time to eliminate Politics and the Weaponization of Our Government against Us, it is indeed the time to finally remove the so called "Kid Gloves" and respond with Our True Citizen Might that was established for Us in Our Founding Documents!

Here's the MAJOR Reality Check Ladies and Gentlemen, **BOTH** Political Parties have intentionally failed this Country to the point where they've become totally Self-Serving, in Their, wonderfully appointed Tax Payor Paid Leatherbound Executive Chairs where they sit on Their Posteriors, Job Secured lack of Term Limit Positions, DERALICT ACCOUNTABILITY, TRANSPARENCY, and REPRESENTATION!

It's also an UNADULTERATED FACT, that Politics has succeeded in TOTALLY ruining EVERY Country, just refer to the History Books if you don't believe Me, and the Politicians in this Country are NO EXCEPTION as They are succeeding in converting this Country from a Democratic Republic to a Socialistic State.

Not to mention the intentional and purposeful use and backing from Groups like the Media, Bureaucrats, Lobbyists, Entertainment Enterprises (I.E.: Hollywood, T.V., Cable, Radio, Pro & College Sports, the ever-evolving New World Order, along with, the NEVER rich enough Millionaires and Billionaires. These My Friends are the Elite!

WE UNEQUIVOCALLY,
TOTALLY, AND REALISTICALLY
DON'T NEED POLITICS
INTERFERING WITH THIS
COUNTRY'S AFFAIRS any longer.

Let Me put it this way,
there's Realistically and
Literally nothing BENEFICIAL
that comes out of Their
representation that We
couldn't do a better job with
ourselves!

It's TRULY the time for the FREE TAX PAYING CITIZENS in this Great Nation of Ours to finally accept this Responsibility and believe Un-Categorically of this reality and move to create the change everyone keeps speaking of yet, as of now haven't put forth the generated Effort to achieve, and that's what I referred to early by Abraham Lincoln and his masterful Gettysburg Address with "The Government of the People, By the People, and For the People", Quote!

Talk is indeed cheap Ladies and Gentlemen, but I believe We're DOERS, and it's now the time for ALL True and Free Patriot TAX PAYING Citizens to step forward, stop being SILENT and accept your responsibility of doing what's NECESSARY and RIGHT and finally create a Truly Free and Equal Country of Citizens, as I respectfully initiate this formal call to action!

Our Forefathers didn't have the Technical Advantages We have today. Communications in those times took days, weeks, months and sometimes even years for information to be shared. Today, it's virtually instantaneous!

We now have far greater capabilities available to Us from

This Country continues to Endure, Persevere, and Evolve. There's been many, Pro's, and Con's since Our Founding and the One truth and consistency about it ALL is that none of it has been PERFECT and sadly, It's even MORE IMPERFECT than ever!

Realistically, We ALL should have firsthand awareness that Perfection will NEVER be achieved in this Humanistic World of Ours because we'll NEVER be able to satisfy EVERYONE, 100% of the time! That my Friends is a TOTAL IMPOSSIBILITY!

But shame on Us for NOT at least doing Our Level Best to get as close to Perfection as possible.

Let's face it People, we ALL have Our own Daily Challenges in Life. That in and of itself proves the imperfection of Our Existence!

What could possibly make any of Us think that Perfection could ever be accomplished anywhere else! It just plain can't!

Thus, the reasoning behind THE FOUNDING OF THIS DEMOCRATIC REPUBLIC.

This My Friends is the Closest Form of Government you'll find to running a Perfect Society, that is, when that Form of Government is being run with Honor and Integrity!

In this Case, I'm proposing that Our Government in order to be the BEST VERSION OF A DEMOCRATIC REPUBLIC it can be, NEEDS TO BE RUN ENTIRELY LIKE THE MULTICONGLOMERATE BUSINESS THAT IT IS!

It's the only practical and feasible solution to the Politics that's currently misusing Our Government!

ALL Current Governmental Departments will be PHASED OUT, RECONFIGURED, or REDEFINED in JOB FUNCTION.

Each NEW DEPARTMENT WILL BE ESTABLISHED BY THIS MOVEMENTS BOARD OF DIRECTORS.

The Board of Directors will function as the New Governments Executive Branch who will be responsible for Overseeing of ALL facets of the New Government.

The ONLY Authority above the Executive Branch will be the PEOPLE, who will have Veto Power at ALL Times based Upon a Yet to be determined Percentage Vote, which I am recommending a REQUIRED MINIMUM 65% OF THE PEOPLE'S VOTE TO VETO OR POSITIONALLY FIRE EXECUTIVE PERSONNEL.

There will be A CITIZEN'S OVERSIGHT COMMITTEE established for every New Governmental Department, who will be required to ENFORCE that ALL PROCEDURES are being followed with INTEGRITY and that ALL PERSONNEL are TRUE TO THEIR OATH!

These People have thoroughly worn out Their Opportunity to Represent. It's now time for Properly Equipped Business Personnel to Head-Up what will be a NEWLY FORMED BOARD OF DIRECTORS that will be established and explained in detail later.

The People's Democratic Republic that I am proposing will be a Fundamentally Balanced Environment which is to be based solely upon Majority Rule established through the Equality of ALL Citizens Properly Casting Votes and not being distributed and diluted through a dumbing down give away to someone else to control, (AKA - Politicians) this My Friends is NOT ONLY Total Absurdity but typical fruitless Insanity that's Executed through Our current Electoral Process!

It's super important for the future generations of this Country and it's Our responsibility to see that We will continue to respect these motives, agendas, and obligations as we continue to move and progress forward **ETHICALLY and MORALLY!**

Additionally, to HONOR Our Ancestors, Family Members, Friends, Neighbors, and Fellow Country Men and Women who were brave and courageous enough to enlist, fight, risk life and limb for this Country and for Our Freedom.

Otherwise, why do we still celebrate Veterans Day and Memorial Day. Has this just become empty rhetoric and recognition on Our parts containing ZERO VALUE?

Were They're lives wasted? When does enough, become enough? What should the total Cost be for us to be entitled to call Ourselves Citizen, another Civil War!

This time, thanks to this Evolution Revolution, there's NO NEED for any unnecessary Blood Shed unless as I stated earlier, we're forced into protecting Ourselves, then I say Hooah and bring it on!

But that's NOT what this Movement is about!

We've had the ability to gain control of Our Government for quite some time now but sadly, and for some disconnecting reason that I can't put My finger on, We've, failed to act, but again, that's just Me wondering about spilled milk out loud!

And here's the irony of it all, We'll, accomplish this Task through the utilization of the same Modus Operandi that's currently being used against Us, through Our own Antiquated Election Systems and Processes, then We'll trash that System forever!

This is MOST definitely NOT Rocket Science People!

So, imagine these Concept Changes if you will and this is just for a Start:
